Local Transport

Public transportation

The following official JUDU website (<https://judu.lt/en/e-ticket-system/>) contains useful information on use of Vilnius public transport. Please mention that mobile apps, such as m.Ticket or Trafi, allow avoiding the purchase of contactless payment card. Also, payment with contactless credit card directly in the bus is possible.

Connections:

Connections can be found on-line on the Vilnius City public transport Web page <https://judu.lt/viesojo-transporto-keleiviams/marsrutu-tvarkarasciai/>.

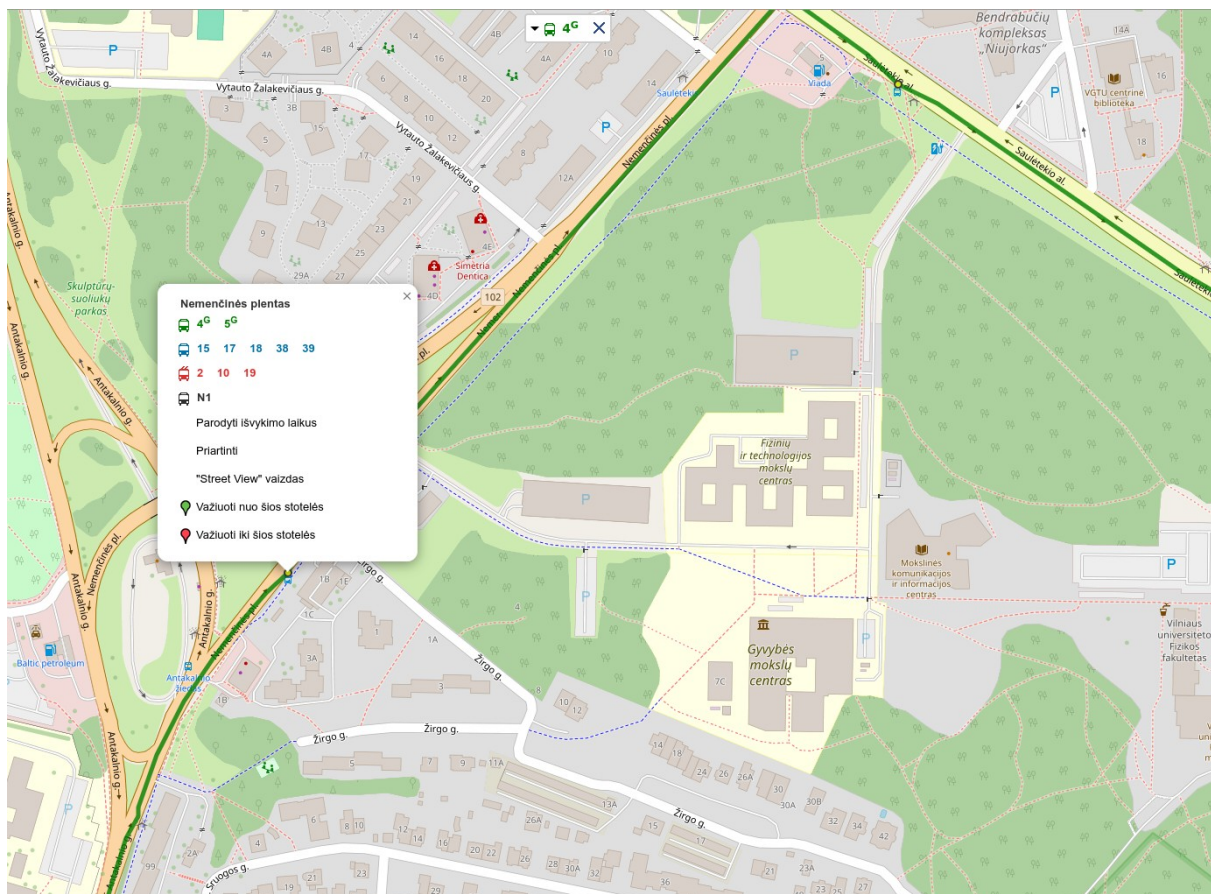

It takes about 45 min to reach the Life Sciences Center from the City Center. You can use trolleybus No. 2, trolleybus No. 4 or fast city bus No. 4 or 5:

Breakfast is not provided but there are small kitchens in the rooms and cafeterias around the area that are open from 7am.

If you decide to stay in the University Apartments, please contact the organisers at kicis@crystallography.net or grazulis@ibt.lt, we will have to book for you via the University’s internal systems. Please specify you arrival and departure dates.

AirBnB

I would not overlook AirBnB :) (that is usually my personal choice in Western countries). Good price, usually calm places and you can find one very close to the venue, or anywhere you like. Sure, the service levels might vary, but so is with hotels as well...
